MEANING TO THE LOGO:

Our logo is about academic excellence. Logo strengthens the schools identity and it makes it instantly recognizable to all and sundry. It helps communicate your core values.

We chose white and ash as the colours for our school uniform because it is easy to make identification of students and promotes a sense of equality amongst students from different backgrounds. Besides that, white symbolises cleanliness, professionalism and a sense of uniformity.

Ash creates a sense of unity and belonging and that is why we chose it.
